RE: Wormald Site Investigation Work Plan for Cedar Chemical Company (January 22, 2009)  
EPA ID Number ARD990660649; AFIN 54-00068

Dear Mr. Haramut:

The Arkansas Department of Environmental Quality – Hazardous Waste Division (ADEQ) has reviewed the Wormald Site Investigation Work Plan (SIWP) dated January 22, 2009. Based on ADEQ review, the SIWP is hereby approved. ADEQ concurs with the sampling methodology proposed in the SIWP. This approval should not be interpreted to mean that ADEQ has concluded that there is a need for additional data and delineation. Please note, the laboratory used for conducting any analysis should be an Arkansas certified laboratory and the quality assurance for any data should include the relative percent difference acceptable for both field and laboratory duplicates.

If you have any questions or need additional information, please feel free to contact Tammie J. Hynum of my staff at (501) 682-0856 or [hynum@adeq.state.ar.us](mailto:hynum@adeq.state.ar.us) or myself at (501) 682-0831 or at [benefield@adeq.state.ar.us](mailto:benefield@adeq.state.ar.us).

Sincerely,

J. Ryan Benefield, P.E.  
Hazardous Waste Division Chief
